## LODGING AND ACTIVITIES

---

**The hot springs at Chico flow into two open-air mineral Hot Springs pools. While temperatures of the pools fluctuate slightly due to natural elements and occurrences, the large pool averages 96 degrees Fahrenheit and the small pool averages 103 degrees Fahrenheit.**

**Chico Hot Springs Resort and Day Spa is the perfect location for your Montana getaway. The historic resort is located in the heart of Paradise Valley, just north of Yellowstone National Park - and nestled in the foothills of the breathtaking Absaroka Mountain Range.**

**Chico offers an extraordinary variety of accommodations, exceptional dining, outdoor adventures, live entertainment, ultimate relaxation**

**Chico Hot Springs offers a diverse selection of lodging, from quaint and cozy guest rooms in their turn of the century Main Lodge to their luxurious North 40 Cabins, with a wide variety of modern accommodations in between**
